

# Monza Speciale F 5W-30

**HC-Synthetic high-performance low-friction fuel economy engine oil for passenger cars**

## Properties

**Monza Speciale F 5W-30** is a HC-Synthetic high-performance low-friction fuel economy engine oil of the latest technology for modern Ford petrol and diesel engines. Excellent cold-start behaviour ensures optimum lubrication reliability in the cold-running phase. The special additive makes it compatible with E85 and ensures better protection of the emission control systems. Seal and belt materials are protected. Guarantees highest engine cleanliness and best wear protection. Exceptional product stability enables extended oil change intervals.

**Monza Speciale F 5W-30** guarantees fuel savings and contributes to environmental protection by reducing CO2 emissions.

## Application notes

**Monza Speciale F 5W-30** was especially developed for the latest Ford passenger car engines and is mandatory for Ford 2.2 L Duratorq-TDCI (from 04/2012) engines. It is also for most other diesel engines (except Ford KA 2009, Ford 2.5L Duratec-ST/RS (VI) and VW 1.9L TDI engines) recommended.
